it s been a decade since the monday night war waged between the wwf and wcw generated unprecedented and astronomical ratings and the landscape of the sport of kings has changed radically but one thing remains constant the fans chanting fire russo can still be heard at tv tapings and pay per view events across north america and vince russo the man who has at times been called the most hated man in professional wrestling

wouldn't have it any other way in his first book *Forgiven* Vince Russo delivered a modern day parable about the price of success in heartbreaking detail he showed how a godforsaken business and the desire for acclaim in his career as a writer for Vince McMahon's WWF led him into a spiritual wasteland today a changed Russo has returned to prominence in wrestling a world he both loves and that has he acknowledges broken his heart as one of the writers and masterminds behind TNA the world's fastest growing and most cutting edge wrestling promotion for two hours every Thursday Russo's ideas and words revolutionize wrestling on Spike TV but what he achieves on impact on a weekly basis has been many years in the making he's been known as both the saviour of the WWF and the man who destroyed WCW and *Rope Opera How WCW Killed Vince Russo* is the true behind the scenes story of quite simply the rise and fall and rebirth of professional wrestling many have tried to explain the inner workings of wrestling's most turbulent era but this is the first time someone in the centre of the maelstrom has ever laid everything bare in returning to the page to take readers from the death of WCW to the rise of TNA Vince Russo has crafted his most remarkable storyline that a grown man can come to terms with and find peace within the insanity of the squared circle

many have tried to explain the inner workings of wrestling's most turbulent era but this is the first time someone in the centre of the maelstrom has laid everything bare taking readers from the death of WCW to the rise of TNA the world's fastest growing and most cutting edge wrestling promotion Vince has crafted a remarkable storyline about how he came to terms with and found peace within the insanity of the squared circle

as history repeats itself a wrestling classic becomes even more relevant in 1997 world championship wrestling was on top it was the number one pro wrestling company in the world and the highest rated show on cable television each week fans tuned in to Monday Nitro flocked to sold out arenas and carried home truckloads of WCW merchandise it seemed the company could do no wrong but by 2001 however everything had bottomed out the company having lost a whopping 95% of its audience was sold for next to nothing to Vince McMahon and World Wrestling Entertainment WCW was laid to rest what went wrong this expanded and updated version of the bestselling *Death of WCW* takes readers through a detailed dissection of WCW's downfall including even more commentary from the men who were there and serves as an object lesson and dire warning as WWE and TNA hurtle toward the 15th anniversary of WCW's demise

what went wrong with WCW in 1997 world championship wrestling was on top it was the

number one pro wrestling company in the world and the highest rated show on cable television each week fans tuned in to monday nitro flocked to sold out arenas and carried home truckloads of wcw merchandise sting bill goldberg and the new world order were household names superstars like dennis rodman and kiss jumped on the wcw bandwagon it seemed the company could do no wrong but by 2001 however everything had bottomed out the company having lost a whopping 95 of its audience was sold for next to nothing to vince mcmahon and world wrestling entertainment wcw was laid to rest how could the company lose its audience so quickly who was responsible for shows so horrible that fans fled in horror what the hell happened to cause the death of one of the largest wrestling companies in the world the death of world championship wrestling is the first book to take readers through a detailed dissection of wcw s downfall

as seen on who killed wcw the four part vice tv docuseries post wrestling book of the year the famous best seller now expanded in e book form synopsis in april 1999 entertainment weekly asked its readers what many were surely wondering to themselves how did wrestling get so big as a consequence of the heated ratings competition between world championship wrestling wcw and the world wrestling federation wwf the spectacle had taken over monday nights on prime time cable television but in a departure from the family friendly programming produced by the last industry boom the 1980s wave which made household names of hulk hogan rowdy roddy piper and andre the giant the new era of wrestling combined stunning athleticism with a raunchy sex appeal engrossing story lines and novel production techniques that reflected a changing society and its shifting values once again wrestling was a ubiquitous phenomenon only this time it seemed as though the fad would never end with both wcw and wwf expanding into other forms of entertainment movies video games music and the like the potential for growth appeared to be limitless but with uncertainty surrounding its corporate future and increasingly uninspired programming eroding its audience wcw stood on the verge of collapse three years into a five year plan devised by its charismatic leader a former blue ribbon foods salesman named eric bischoff the company whose unexpected ascension initiated the entire boom was operating on borrowed time for by the end of the five year plan wcw ceased to exist but nitro is a story about much more than wcw and the monday night wars it is a story of an era a time in which the media and cultural landscape precipitated and later supported pro wrestling s mainstream popularity it is a story of how a company made in the image of an intuitively brilliant risk taker betrayed its original promise it is a story of how a handful of men each struggling with their own limitations facilitated a public

obsession that changed television forever and so with the inside knowledge of a journalist the perspective of a historian and the passion of a fan author guy evans provides a fresh look at an unfortunate inevitability the downfall of world championship wrestling bolstered by exclusive interviews with over 120 former tbs and wcw employees nitro is the definitive picture of the last wrestling boom featuring exclusive interviews and comments from over 120 former tbs and wcw employees including eric bischoff fmr president of world championship wrestling harvey schiller fmr president of turner sports jamie kellner fmr ceo of turner broadcasting system bill burke fmr president of tbs network joe uva fmr president of turner entertainment sales and marketing scot safon fmr svp of marketing for tnt network dick cheatham fmr group controller for tbs alan sharp fmr wcw director of public relations mike weber fmr wcw director of marketing kevin nash diamond dallas page vince russo marcus buff bagwell kevin sullivan hugh morrus neal pruit david crockett jerry jarrett and many many many more expanded edition contains four bonus chapters a new foreword from eric bischoff dozens of new tidbits over 100 footnotes to the original story the most definitive well written and thoroughly researched book on the rise and fall of wcw eric bischoff former wcw president

in 1997 world championship wrestling was on top it was the number one pro wrestling company in the world and the highest rated show on cable television each week fans tuned in to monday nitro flocked to sold out arenas and carried home truckloads of wcw merchandise it seemed the company could do no wrong but by 2001 however everything had bottomed out the company having lost a whopping 95 of its audience was sold for next to nothing to vince mcmahon and world wrestling entertainment wcw was laid to rest what went wrong this expanded and updated version of the bestselling death of wcw takes readers through a detailed dissection of wcw s downfall including even more commentary from the men who were there and serves as an object lesson and dire warning as wwe and tna hurtle toward the 15th anniversary of wcw s demise

the year 1999 was a high water mark for popular culture according to one measure it was the best movie year ever but as journalist ross benes shows the end of the 90s was also a banner year for low culture this was the heyday of jerry springer jenna jameson and vince mcmahon among many others low culture had come into its own and was poised for world domination the reverberations of this takeover continue to shape american society during its new year s eve countdown mtv entered 1999 with limp bizkit covering prince s famous anthem to the new year the highlights of the lowlights continued when wcw and wwe drew

35 million american viewers each week with sex appeal and stories about insurrections insane clown posse emerged from the underground with a woodstock set and platinum records about magic and murder later that year dance dance revolution debuted in north america and grand theft auto emerged as a major video game franchise beanie babies and pokémon so thoroughly seized the wallets and imagination of collectors that they created speculative investment bubbles that anticipated the faddish obsession over nonfungible tokens nfts the trashy talk show jerry springer became daytime tv s most watched program and grew so mainstream that austin powers sabrina the teenage witch the wayans bros the simpsons and the x files incorporated springer into their own plots during the late 90s donald trump even explored a potential presidential nomination with the reform party in 1999 and wanted his running mate to be oprah winfrey whose own talk show would make dr oz a household name among springer s many guests were porn stars who at the end of the millennium were pursuing sex records in a bid for stardom as the pornography industry exploded aided by sex scandals new technology and the drug viagra which marked its first full year on the us market in 1999 benes shows us how so many of the strangest features of culture in 1999 predicted and influenced american life today this wild ride through pop culture uncovers the connections between the kayfabe of wwe and the theatrics of politics between the faddish obsession with beanie babies and with nfts between faithful fans and political loyalists between violent video games and society s scapegoats and much more 1999 is not just a nostalgic look at the past it is also a window into our contentious present

in 1997 world championship wrestling was on top it was the number one pro wrestling company in the world and the highest rated show on cable television but by 2001 however everything had bottomed out the company having lost a whopping 95 of its audience was sold for next to nothing to vince mcmahon and world wrestling entertainment wwe what went wrong this expanded and updated version of the bestselling the death of wcw takes readers through a detailed dissection of wcw s downfall including even more commentary from the men who were there

with detailed descriptions stunning photographs and essential advice noted garden experts williams c welch and neil g odenwald invite you to join the rich southern tradition of growing and sharing cut flowers

consists of reports of state officers and departments issued as appendices to the house journals and the senate journals from 1840 to 1867

a critical look at the ever diminishing rights of texans to sue for medical malpractice the movement to further restrict those rights and the difficult but not impossible task of fighting for compensation for wrongs done you by institutional medicine
